

WELCOME TO LIBERTY STUDIOS

Liberty Studios represents the height of production excellence. Located in the heart of downtown Toronto, Liberty Studios boast a state of the art multi-media facility (6000 sq. ft.) that is the perfect blend of design and functionality.

The studio will deliver the five-star service that every project deserves. Its environment gives you comfort and uniqueness through truly high tech connectivity that blends digital and analog platforms. Liberty Studios was built to be the perfect location for creativity in a world where options are limitless. We provide musicians, producers, filmmakers, editors and all people involved in media and entertainment with inspiration and resources for all their audio and visual production needs. Liberty Studios gives you the freedom to create and the flash to stand out.

LIBERTY BALLROOM

The Liberty Ballroom is the heart of Liberty Studios. An impressive 1,600 sq. ft space, the Liberty Ballroom is the main soundstage / live room. With 17.6 ft. ceilings, the room is designed and equipped to cater large-scale live recordings, lectures, film screenings and private events. The Liberty Ballroom is a place where creative dreams come to life.

- DA-LITE Cosmopolitan Motorized Screen
- Panasonic PT-FW300U Projector
- 5.1 Surround Sound System

LIBERTY CENTRAL

Liberty Central is the nucleus of Liberty Studios. This luxurious and spacious main control room spans 650 square feet over a stop sign design. Liberty Central creates a perfect blend of design and functionality. The centerpiece of Liberty Central is a Digidesign ICON ES console with expandable mainframe that offers complete session memory recall and a scalable HD (high-definition) Pro Tools recording system to meet every project's needs.

- Digidesign ICON D-Control ES, 32 Fader
 - Pro Tools HD7 Source System
 - Pro Tools HD2 Dubbing System
 - Waves Mercury Bundle
- Neve 8816 Summing Mixers (2)
- Adam S6X Main Monitors
- Adam 7.1 Surround Sound System
